

FEEVA POSITION PAPERS AN UPDATE

Jesper Møller Nielsen, FEEVA secretary

Current position papers

- Infectious Disease Surveillance
- The need for slaughter of horses for humane consumption
- Identification and registration of horses

Is position papers worthwhile?

- They are cited
- They are commented
- Position on Slaughter is now FVE policy
- They do get outdated and even becomes The law
 - ▣ Medicine list
 - ▣ Hot branding and microchipping

Question

- Should FEEVA use time and effort in producing position statements in the future?

Future position papers

- Transport of horses
- Horse welfare
- Responsible use of antimicrobials
- Medicine availability
- Anti-Doping
- Support of other/related professions
